

SPECIAL COUNCIL MEETING

June 5, 2012

5:30 P.M.

PRESENT: Von Ahsen, Jaskey, Black, Figenshaw, Teeples

ABSENT: None

Mayor Berry presided.

No citizens spoke at the Open Forum.

The Council discussed the issue of replacing the concrete pavement in the area inside of the crosswalks in the downtown restoration project. The Council made the decision to redo the area inside of the crosswalks at Lincoln Way and Wilson only, and to fix cracked panels on all others.

On motion by Von Ahsen second by Teeples, the Council approved of engineering agreement with MHF Engineering not to exceed \$19,920, for Vine Street overlay project with asphalt from Washington St. to Madison St. The project would be funded through the use of Local Option Sales Tax (LOST).

AYE: Von Ahsen, Figenshaw, Teeples, Jaskey, Black

NAY: None

There being no further business the Council agreed to adjourn.

Craig Berry, Mayor

Diane M. Kennedy, City Clerk
