CITY OF JEFFERSON PUBLIC HEARING MINUTES FOR CDBG HOUSING FUND APPLICATION

A public hearing was held on **December 13 at 5:30 PM** at the Jefferson City Hall to hear comments on the city's application for a CDBG Housing Fund Application. The public hearing was opened at 5:30 PM by Mayor Berry. The hearing was pursuant to the citizen participation requirements of Section 508 of the Housing and Community Development Act of 1987, as amended March 25, 1988. The Iowa Economic Development Administration (IEDA) will advise all CDBG applicants and grantees of the requirements, and of acceptable means to amended, to ensure compliance with said requirements by all applicants for and recipients of CDBG funds administered by the State of Iowa. The public was informed that IEDA requires reasonable public access to all local meetings, project records and information relating to the proposed and actual use of CDBG funds. All CDBG related meetings should be conducted in public buildings.

The need for owner-occupied housing rehabilitation has been realized by the City of Jefferson through a Housing Needs Assessment. The proposed project will rehabilitate 6 units to meet the IEDA Housing Quality Standards and be lead safe upon completion. Families may be temporarily displaced during rehabilitation disturbing lead based paint. No businesses will be displaced as a result of this proposed project.

The city determined the 6 projects will be located in the following Targeted Area:

The total project is estimated to be \$263,000.00 which includes a \$18,000.00 city match share. Grant administration of \$20,000.00 and Rehabilitation/Technical Services of \$225,000.00 are combined for a total CDBG request of \$ 245,000.00. The application deadline is January 13, 2017.

A requirement of the CDBG program is that funds must benefit a population of at least 51% of the households are occupied by low or moderate income families. The City of Jefferson's LMI percentage is **60.59%** and 100% of housing rehabilitation participants will be low and moderate income.
